

## **New Presentation available for Families, Guardians, Person-Centered Teams, “Circles of Support” and Advocates**

Topics include:

- The impact of wages on SSI and Social Security
- Methods for retaining Medicaid even after SSI ends
- Managing Patient Liability (share of cost)
- Work Incentives for SSI and Social Security
- Steps we can all take today to help people with disabilities move toward self-sufficiency.

**The presentation requires approximately 2 hours including time for questions and answers.**

**To schedule the presentation contact:**
